

STATUS: Construction underway.

PROJECT: Comprehensive Roadway Sign System at BWI Airport

DESCRIPTION: Installation of new standardized roadway guidance and parking signage system for BWI and airport related facilities on major airport entrance roadways.

JUSTIFICATION: The project will improve roadway guidance signage through incorporating Variable Message Signs (VMS) technologies and new graphic designs into Airport-area signage. This project will provide a method of informing patrons on parking lot availability in advance of key decision points and guiding them with VMS signs to alternate open parking facilities. This project will introduce a new graphic design for airport signage that will be unique and easily identified for airport wayfinding to parking and facilities. The project will also incorporate CHART II regional traffic messages for airport users.
